

YUBA RIVER ENDOWMENT

FARMERS GIVING BACK

SCHOLARSHIP GUIDELINES | 2026

BACKGROUND

The Yuba River Endowment is a non-profit organization created by Yuba County farmers to benefit the residents of Yuba County. It's farmers giving back! The Endowment is comprised of farmers who have a right to water that flows on the Yuba River. In some years these farmers are able to both farm their own land and transfer a portion of their water to drought-stricken areas of the state. A portion of the proceeds from these water transfers goes to the Endowment. Since formation in late 2019, the Endowment has donated over \$1,300,000 to support Yuba County education, provide food resources, veteran's support, and much more.

PURPOSE

The Yuba River Endowment Scholarships are meant to provide support for Yuba County students and Yuba County residents wishing to continue their education at any college or trade school.
